## Message from the Pastor...

### Good News and Dinner

Come learn the good news about sex and marriage and enjoy a pizza dinner sponsored by St. Mary Respect Life Committee!! Theology of the Body/Natural Family Planning overview will be presented at St. Mary Parish, Mt. Angel, on Sunday evening, June 27th from 6 to 8 p.m. in the upper level of the Parish Center, by Tony and Susie Morris. John Paul II taught "To learn about your body is to learn about the deeper reality of God". Jesus came in the FLESH to teach us about his Father. Tony and Susie Morris have been married for 33 years, have six children, nine grandchildren. They began teaching Natural Family Planning in 1982 and have now expanded into a sacramental marriage preparation program based on the Theology of the Body call "A Joy -Filled Marriage".

Babysitting will be provided.

### Father's Day Gift

I hope you were one of the fortunate ones that had a great father. I sure did and as I look back on what it means to be "great" I am surprised how simple it is. The greatest gift a Dad can be to a family is "NORMAL"! Normal Dads make great families.

What makes a normal Dad? A dad that is a total self gift to his family. A Dad that empties himself of his own self interests and lives life day after day for others. He may not be doing his dream job, but is dreaming of his family's future as he is doing the job he has. He lives a life of virtue during the week to the best of his ability and is a man of character (and is a bit of a character) and Sunday is the Lord's day. He is committed to his wife and loves her unconditionally "till death do we part". As a man the greatest gift you can give your Father is to be "Normal" like him and the greatest gift you can give dad, as a woman, is to marry a "normal" man like your Pop.

### Happy Father's Day!!

*The greatest gift I ever had,  
came from God, I call him Dad!*

Anthony "Tony" Morris",  
Pastor's Assistant
